Phone Number: 617/666-1280
Contact: Jeff Kennedy
Final or Current Contract Amount: \$313,718
Contract Type: Bid / Build
Period of Performance: April 1999 – September 1999

Work Performed:

Explus, Inc. provided exhibit detailing, fabrication and installation of exhibit components and interactives for the "Marvelous Molecules" exhibit at the New York Hall of Science. The exhibit features touch screen interactives and independent stations for visitors to analyze the chemical structures of natural materials. A molecule model building station allows visitors to reconstruct chemical compounds.
